Dear Members:

I am pleased to invite you to the 54th, Annual Meeting of the Nova Scotia Forest Technicians Association to be held on March 23th and 24th, 2017 at the Holiday Inn & Conference Centre, Truro (former Howard Johnson, Prince Street).

Once again, we are having a joint meeting with the CIF and RPFANS. This year we encourage you to pre-register. There is a form attached to the agenda detailing the specifics of pre-registration with options on how to pay. We encourage you all to attend the entire session. There will be a special draw for a prize for those who pre-register.

This invitation is being sent to all members in good standing of the association. Please pass it around to every technician in your office or any other technician that you know, so we can have a strong representation of Forest Technicians at this year's AGM.

For those members who will be giving reports at the AGM, please have a paper copy to provide to the secretary at the meeting and also, email a copy of the report to the secretary, Jenna Dooks, Jenna.Dooks@novascotia.ca or greg.watson@northnovaforestry.com

Please note that the NSFTA business meeting will be held on Thursday afternoon starting at 1:30 pm. We will also be having draws for some nice prizes for those who attend this meeting.

I look forward to seeing you there.

Yours truly,

Greg Watson
President, NSFTA
