

NSFTA members

Those of you who are CFT's here is the breakdown the foresters are using for hours for the AGM. For those of you who are not CFT yet just attending the AGM is worth 20.0 hours toward your total hours. You need 150 every three years. By attending the AGM each of those three years you will earn 60 hours. For every 1 hour of training you receive you can claim 3 hours.

For your consideration
